On the Cover: Oliver Dawson

Oliver Dawson is quickly emerging as one of the brightest young stars in Canadian swimming, turning heads across the country with a breakthrough 2026 season that has already rewritten the record books.

Recently, Dawson established new **Canadian records in both the 50m and 100m breaststroke**, solidifying his place among the nation's elite breaststrokers.

Dawson's breakthrough moment came at the **2025 Bell Canadian Swimming Trials in Victoria**, where he swept all three breaststroke events and added a new national age group record in the 200m breaststroke. Those performances earned him selection to the **2025 World Aquatics Championships in Singapore** and his first appearance on a Canadian senior long course national team.

Known for his technical precision, composure, and relentless progression, Dawson has rapidly developed into one of Canada's premier young swimmers. With national records already to his name and another Trials opportunity approaching, the future looks exceptionally bright for one of the country's fastest-rising talents.

Congratulations to Oliver and his coach Alex Dawson!

TAG RANKINGS

VOL. 3

With the release of **Volume 3 of the CSCA TAG Rankings**, we are excited to showcase our first Long Course rankings!

This edition goes back to the twenty-five deep rankings across all age groups and events including the Open category less than one month before our Canadian Swimming Trials in Montreal.

The features from volume 2, including 50-deep rankings, team scoring and Making Waves will all return in our September edition capturing the performances of the entire summer.

As TAG Rankings continue to evolve, our goal remains to provide a platform that not only tracks performance but also tells the story of swimming in Canada — recognizing excellence, depth, and the collective strength of our clubs and athletes.

We need your feedback! The CSCA is considering offering a subscription for a printed edition of TAG Rankings. Would you be interested in a printed version of TAG Rankings delivered directly to your door four times per year? Please scan the QR code below to share your input. No commitment required as we are just seeking feedback at this time. Should we offer this opportunity more information on how to subscribe will be available in the Fall of 2026.

En couverture: *Oliver Dawson*

Oliver Dawson s'impose rapidement comme l'une des plus brillantes jeunes étoiles de la natation canadienne, attirant l'attention partout au pays grâce à une saison 2026 exceptionnelle qui lui a déjà permis de réécrire les livres de records.

Récemment, Dawson a établi de nouveaux records canadiens au 50 m et au 100 m brasse, consolidant ainsi sa place parmi les meilleurs brasseurs du pays.

Le moment marquant de son émergence est survenu lors des Essais canadiens de natation Bell 2025 à Victoria, où il a remporté les trois épreuves de brasse tout en établissant un nouveau record canadien de groupe d'âge au 200 m brasse. Ces performances lui ont valu une sélection pour les Championnats du monde aquatiques 2025 à Singapour ainsi qu'une première nomination au sein de l'équipe nationale senior canadienne en bassin de 50 m.

Reconnu pour sa précision technique, son calme et sa progression constante, Dawson s'est rapidement développé pour devenir l'un des meilleurs jeunes nageurs du Canada. Avec des records nationaux déjà à son actif et une nouvelle occasion aux Essais qui approche, l'avenir s'annonce extrêmement prometteur pour l'un des talents en plus forte ascension du pays.

Félicitations à Oliver et à son entraîneur Alex Dawson!

Classements TAG VOL. 3

Avec la publication du volume 3 des classements TAG de l'ACEN, nous sommes ravis de présenter nos premiers classements en bassin de 50 m!

Cette édition revient au format des classements jusqu'à la 25e place dans tous les groupes d'âge et toutes les épreuves, y compris la catégorie ouverte, à moins d'un mois des Essais canadiens de natation à Montréal.

Les éléments introduits dans le volume 2, notamment les classements jusqu'à la 50e place, le pointage des équipes et la section Making Waves, seront de retour dans notre édition de septembre, qui mettra en valeur les performances de toute la saison estivale.

À mesure que les classements TAG évoluent, notre objectif demeure de proposer une plateforme qui non seulement suit la performance, mais raconte aussi l'histoire de la natation au Canada — en reconnaissant l'excellence, la profondeur et la force collective de nos clubs et de nos athlètes.

Nous avons besoin de vos commentaires! L'ACEN envisage d'offrir un abonnement à une version imprimée des classements TAG. Seriez-vous intéressé(e) par une version imprimée des classements TAG livrée directement à votre porte quatre fois par année? Veuillez balayer le code QR ci-dessous pour nous faire part de votre opinion. Aucun engagement n'est requis pour le moment, puisque nous sommes actuellement en phase de consultation. Si cette option est offerte, plus d'information sur la façon de s'abonner sera disponible à l'automne 2026.
